

UNITED STATES MINORITY CHAMBER OF COMMERCE

RELEASE FOR IMMEDIATE DISTRIBUTION

Chamber Announces Workforce Initiative to create jobs and economic development commitment

May 5, 2021

WASHINGTON, D.C.-The United States Minority Chamber of Commerce, announces the creation of the Minority Workforce Development Initiative led by the Chamber's elite member, "**Suncap Technology Executive and Financial Staffing**", based in Broward County, Florida.

The initiative will serve as a bridge between corporate businesses and the Federal Government with minority professionals, veterans and skilled workers focusing in high tech to improve the nation's job creation and ensure a capable very specialized minority workforce.

"The most important component to any business's success and prosperity is a competent and skilled high tech workforce," said Doug Mayorga, CEO of the U.S. MCC. *" Selecting **Suncap Technology Executive and Financial Staffing**, in this challenge, deliver the best to provide an excellent pool to our members and federal government to ensure employers they have right individual and qualified, they need to keep their business and our country globally competitive."*

"We are pleased to join the Minority Chamber of Commerce as the official staffing partner. The Chamber's mission and commitment perfectly align with our company's strategic vision," said Ron Green, President of Suncap Technology Finance and Executive Staffing..

"We look forward to working with the Minority Chamber of Commerce to further expand our global client base. We are here to serve and collaborate with our fellow Chamber members," said Jonathan Sherry, vice president of Business Development, Suncap Technology Finance and Executive Staffing.
